

# OUR PRODUCTS

## FLOWER

Only using our A Buds, we pre-pack our properly cured flower into high quality glass eighth containers.

## PRE-ROLLS

Our pre-rolls are flower only (no trim here!); ground up and hand packed into unbleached pre-roll cones to ensure everything burns the way you want it to.

## VAPE CARTS

Extracted only using Smyth's cannabis, our vape carts contain cannabis derived terpenes from our unique strain library.

## READY2ROLL

14 grams of our premium flower pre-ground and ready to enjoy in whichever format you prefer. No shake in sight.

Smyth Cannabis Co. is a boutique cannabis cultivator located in Lowell, MA. We keep things simple and we keep them small, so nothing is overlooked or compromised. All of our boutique cannabis receives the utmost level of care. We grow dozens of strains at maximum strength, with maximum efficiency.
